From the Crown

Gracious tidings unto the good populace of the Outlands for Irel and Rosalind.

We firstly send out Our thanks to all of those fine gentles that have made the opening months of Our reign the joyous time that it has been. Their Excellencies al-Barran were most gracious hosts during Our time at Grand Outlandish and We thank them for this and all of their other kindnesses to Us.

With the changes to Kingdom law by Our dear departed father and grieving mother and the schedule difficulties We have decided to cancel this years Kingdom A&S event. Her Majesty and Myself extend Our thanks to the shire of Drygestan for their efforts in submitting a bid for the event at Our request. We challenge all of the good artisans of the realm to take this extra time to perfect their labors to make the next April's A&S Competition the best that any has seen.

We ask that all who see or know Master Daffyd of Emmet congratulate him on his victory in the recent Royal Archer Competition. Thl Larke the Fletcher and Master Daffyd tied through the initial tournament, then tied again in a royal round to break the tie. By Royal decree, a final single arrow was shot by each. With such archery skills in our land, Our tables will be filled with game throughout the coming year and Our walls will be so very well defended. Our appreciation and thanks to all who competed, assisted, and who ran the lists at both Crossroads and Grand Outlandish.

It was a very good Outlandish for two gentleman of Our lands. His Grace Hrothgar won Lord of Outlandish and is also Our newest member of the Order of the Pelican. Also Lord Talan won the Citadel speed list and was admitted to the Order of the White Scarf to a resounding reception. Don Ragno was victorious in the Outlandish Blade tournament. Huzah! to all of these fine and worthy men.

There are many wonderful and enjoyable events coming during the summer months. We would encourage all that can to attend Glory. Rumor has it that Atemesia will be invading with great numbers. Lets make sure that we have the numbers of warriors to give them a warm welcome. StagsCon is fast upon us as well. This is a great resource for any who have an interest in how the SCA works and those who would hold in an office in Our realm. We highly encourage you all to attend whether you be officer, deputy, or interested individual. Serving as an officer is a great way to contribute to the smooth running of our society. StagsCon is a great way to learn how.

Please make sure to register with Sir Asad with your camping size requirements for Pennsic. We hope to see great numbers of Outlanders and hear the ground thunder at Our armies approach.

Though it seems that we have just begun Our time as your monarchs, it is time to start the search for Our heirs. We as that those who would enter Our Crown Tournament in the shire of Caer Galen have letters of intent to us no later than August 16.

Congratulations go out the shire of Caer Galen on Our forwarding their petition to the Board of directors for consideration of advancement to the status of Barony. Should the Board find no impediment their first investiture will occur at Crown Tournament.

Our appreciation also goes out to those good gentles of the Barony of Dragonsspine. The polling to find Baron Timothy's heirs was a most enjoyable occasion for Us. Dragonsspine is a treasure in Our kingdom, and certainly set an example of courtesy in this sometimes difficult process. Master Eric Edmundsson and Lady Birgetta Andersodotther will be invested at Barons War. Please join Us in congratulating them and thanking Timothy for his dedication and service to Our barony. Our thanks also to all those who offered to serve in this capacity - it was a very difficult decision with so many able volunteers at hand.

Be gentle to the stranger. Nourish honor in your deeds.

In service to the realm,

Irel Rosalind

Join us in a celebration of Heroes and Legends. Share in the joy of true love as the Baron and Baroness of Caerthe, Hoegaarden and Chiara, celebrate their wedding. All are invited to join us in the festivities on August 29th - September 1st.

The Barony of Caerthe welcomes all to take part in our Warlord, Premiere Blade and Archery Warden tournaments on Saturday morning. Heavy weapons melees fill the Saturday afternoon with Caerthe taking on the World. On Saturday afternoon, archery activities include historical shoots and couple shoots. Fencers can participate in the Revival Tourney in the afternoon. Later in the afternoon, after all of the melees and competitions, will be Siege Engine Bingo (for valuable prizes, of course).

Following evening court will be a wedding reception of extravagant proportions. The Baron and Baroness share their wealth of food and drink with those who would share their joy of marriage. This celebration will be a costumed party! Come dressed as any historical or fictional Hero or Legend and share in the fun, food, and drink.

On Sunday, the heavy fighters will combat in a tourney for the prize of a hand-made knife by Baroness Chiara della Luna herself. The heavy fighters will compete in an afternoon quest, to follow with a multitude of melees. There will be fencing melees galore on Sunday morning and a couples fencing tourney in the afternoon. Archers will compete in a Handicapped shoot in the morning and a grand historical battle in the afternoon. A SCA history quiz will begin in the afternoon, along with many other non-combat games. After court, an evening of Bardic tales will fill the camp. Come perform or listen to tales, songs, and other performances of Heroes and Legends. Any tale or song of a historical, fictional, or SCA Hero or Legend may be performed. There will be special guests of "Outlands and Caerthe" history who will share their tales of life back in the day.

Your pets are welcome but must be leashed at all times while in the campground. This is very important for the safety of your pet as you are in an area where bears and mountain lions are seen from time to time. By keeping your campsite picked up you are making it safer for yourself and others. Please report any sightings of animals to the campground authorities, they need to keep track of them while they are in the area.

Restrooms are maintained daily with heated showers. A dump station is centrally located by the office, along with the pop machine, ice machine, and firewood. We have some supplies for your convenience available at the office/store but major shopping should be done in Divide, which is approximately 20 miles away or Woodland Park approximately 27 miles away.

Please Make checks payable to: SCA-Caerthe. Include your SCA & Modern names, membership number, amount paid and how many days you plan on being there for each person you are sending a reservation for. If you are not a member, remember to add $3 for each non-member.

From the Seneschal

Unto the great populace of the Outlands does Master Adam Stedefast warm greetings.

Rejoice Outlanders! Becoming a member of the SCA and renewing your membership is now easier than ever with the advent of the new SCA Online Membership Service. Just go to https://secure.sca.org/membership/ and follow the directions. This process will provide a printable receipt that you can use as proof of membership. After completing this process, you will then need to fill out a waiver and send it to the Corporate Office in order to receive your blue card. From the time you complete the online procedure until the time you receive your blue card, you are a member but you must show the printed receipt containing your name and effective date of membership and you must sign a waiver at all events.

For those good gentles who provide service to the Outlands through the noble pastime of autocratting, please take note that the cost of acquiring an "Additional Insured" certificate has increased from $40 to $50. For those of you who have no idea what I'm talking about: The SCA has insurance that covers our activities at any event that has been properly scheduled through the Kingdom Event Coordinator, who at this time is THL Roland O'Rourke. You don't have to do anything to get it; it's just there. However, sometimes a site vendor will request an "Additional Insured" Certificate for their records. If so, the autocrat or designee must order the certificate from the SCA Corporate Office at least 30 days in advance of the event, or an _additional_ $100 will be charged to the requesting branch. For specific ordering instructions, please see http://www.sca.org/docs/insurancecert.pdf This site also contains information on ordering equestrian insurance, which is mandatory if horses will be on site at any event.

And of course, this is the last missive announcing the opportunity to attend StagsCon VII on July 12&13. Please see the article elsewhere in this addition of the Outlandish Herald. For those members of the populace who have not heard about this event, it was created about seven years ago in order to provide an opportunity for the kingdom and local officers to meet face-to-face. Since that time the event has expanded to include other aspects of service: autocratting, feast coordinating, demo coordination, fundraising and strategizing for Toys for Tots activities. These and other developments have occurred due to the participation and feedback of the populace. What we know to be true is that we need a StagsCon; What we don't know is how it will change in order to continue addressing service aspects of import to the Outlands. Please attend the event, and suggest ways to continue the evolution of the Premier Service Event of the Outlands.

In Service,
Adam

From the Kingdom Waterbearer

Greetings to all the good gentles of the Outlands,

I hope my missive finds you all in good health and enjoying our wonderful Outlandish summer. First, I would like to thank all of the waterbearers who are working so hard to make sure that water and refreshments are always available at events. I would particularly like to thank Lady Bronwyn Blackwell, who took on the tremendous task of organizing the waterbearing at Outlandish. In addition I want to

thank Lilliana for organizing the waterpoint at Sworded Affaire. I also very much appreciate my deputies Mistress Rowen and Lady Constance for their invaluable help at Coronation. And, of course, all of our work would be in vain without the many hard-working volunteers who tirelessly carry the water and offer refreshments to everyone. You are all a great asset to the Kingdom.

For those of you who want to become a leader among the waterbearers, you should attend my class at Stag's Con this July 12. There is a lot involved in safe and effective waterbearing than most people realize, and I encourage everyone interested to attend.

In service,
Lady Gwenydd Sastra

From the Target Archery Representative

Effective as of StagsCon I will be resigning my position as Target Archery Representative on the Outlands War Council. If you are interested in serving in this capacity, please write the Crown on your desire and qualifications. I thank the target archery community for their support they have given, and the work we have accomplished together. I'm going back to being one of you now.

See you on the range!!

Duchess Kathryn of Iveragh

From the War Council

Greetings Outlanders from the Outlands War Council!

As you may know we have been seeking new members over the last several months and have been the grateful recipients of multiple letters of interest from around the Kingdom. The Outlands war effort is great and the personal involvement and commitment of it's populace to the war effort is inspiring. To all of you who applied to join the council, thank you! More positions will be available as we continue. To all of you who serve the war effort in every way, your efforts are invaluable to the Kingdom's success. The War Council is proud to join in these efforts to make the war experience a great one! Please keep your letters, phone calls and conversations coming. Let's continue to work together!

Their Majesties Irel and Rosalind have had the difficult task of singling out new members from the rich pool of possibilities. We have split up the position previously occupied by the Pelican into two parts: a secretary for the Council and the overall coordinator position of the Pelican. Mistress Elizabeth o'Byrne will be the new Pelican representative and THL Maria sol de Leon will serve as the War Council' secretary. Sir Bela Kos will be added as a Chivalry representative in replacement of Sir Hoegaarden. Sir Stefan of the Wanderers will be replacing Sir Hrothgar as a Chivalry representative later in the summer. Sir Nas'r and Lady Gwenydd Sastra joined us at Crown tourney as a new Chivalry representative and Water bearing representative, respectively. They replace Sir Asad and THL Alia respectively who served long and well on the Council. Please give all of these new members your support and your input. All members of the War Council are available to receive input and partake in war planning and idea generation. Find whoever lives in your area and ask them what we are working on or give them some input.

We are looking for some project coordinators. The Kingdom needs someone to organize feeding the troops on the field. We would also like some help harnessing the War fund raising projects. We have ideas and enthusiasm and need someone with expertise at coordinating fund raising efforts to assist with gathering monies for war related efforts. We are also wanting to coordinate a town crier/bulletin poster for the Outlands encampment at Estrella War. Any Heralds out there interested in this job? We are looking ahead for a Royal Peer member as well as a Target Archery representative to be filled in the non immediate future. Learn more about these positions and send in a letter of interest to the Crown or the Council. Both positions involve lots of interaction, diplomacy and inter kingdom discussion. They are great opportunities to learn about how wars get planned and to be involved in the Outlands community. If you are interested in any of the above, let us know.

We have had the opportunity to witness some exceptional service from our membership and the coordinators who worked with us. Thank you to Duchess Kathryn and Mistress Averil for their tireless work in the fields of Archery and Arts and Sciences. Both went out of their way to make those areas at War a success. Thank you also to Sir Berold for coordinating coordinators, Mistress Bahiyya for lots of yummy soup, Master Gunwaldt for generously working on the Tabards for the army, Baroness Dovita for the great food on the field, Lady Constance for validating and coordinating our Outlands volunteers, THL Alia for all of the hours and hard work with water bearers, Lord Ryan for organizing the camp and set up crew and the many others too numerous to list here. Every single effort counts towards the success of the whole. We are excited to have changed and updated our Charter and web site. Along with new membership will be new ideas and enthusiasm. Join in the fun! War planning starts in the summer for Estrella War in February. Now is the time to make plans and look ahead.

Looking forward to more fun at Wars,
Madigan of Kandahar,
outgoing secretary of the Outlands War Council.

Summer is here so it's time to look ahead to fall. I will be stepping down in September and I am looking for a replacement. Interested candidates should have a strong knowledge of HTML 4.0, Graphics design and have good organizational skills. Please e-mail me with past experience and qualifications. Please contact me by July 25th if you are interested.

Webministers, please check out the Webminister's section of the Kingdom web page. I have updated the listings for pages that meet kingdom standards. Many more of you have met them, but there are still quite a few that need work. Please keep in mind that a web page may be a person's first experience with the SCA. Make sure you are coding and designing for not just our current members but our future members as well.

Around the time this issue comes out, I will be out of e-mail range. If you have put in a request for changes or updates they will be completed the first week of July when I return. If this is an emergency please contact my drop dead deputy THL Torcail at tperreau@aoc.nrao.edu and he will take care it.

From the Windhover Bard

Unto the Populace of the Outlands, Greetings!

The past few months have been ablaze with bardic activity, the likes of which I am proud to claim for the advancement of the Outlands Glory! Grand Outlandish saw the beginning of the camping season as well as the beginning of this season's bardic triumphs. I wish to thank all those who participated in some form, be it storytelling of the day's battles, singing songs of glory and fame, or listening to those of us who stand before you and share our hearts in this manner. Your deeds and efforts have not gone unnoticed!

With your reading of this missive, the time has come to find those two worthy bards who will compete to become your next Windhover Bard. I have been asked several times what the position requires and wished to share the responsibilities I have been given and have given myself that I feel are most important:

1: To place myself at Their Majesties convenience for whatever reasons they see fit and perform duties as assigned by them.
2: To attend to Their Majesties at Court when desired.
3: To write poetry/prose/stories/songs that help record and commemorate Their Majesties reign and the Glory of the Outlands
4: To encourage and teach any and all who wish to participate in the bardic arts, thereby ensuring the continuation of the oral traditions of old.
5: To host and/or help judge bardic circles and competitions at various events throughout the tenure in order to create an atmosphere conducive to the baric arts.
6: To share with the populace at large, via bardic circles and evening walkabouts, the Glory of the Outlands and the stories of our Society.
7: To organize, host, and help judge the competitions to choose a successor.

The Northern Preliminary Competition will be held Saturday night at Glory VI in the Barony of Unser Hafen, July 2-6, 2003. The Southern Preliminary Competition will take place Friday night at Lonely Mountain Defender, hosted by the Shire of Drygestan over the weekend of July 17-20, 2003. The final competition to decide the next Windhover Bard will be held at Crown Tournament, September 13-14, 2003 (as of this writing, no location is available yet for this event). The winners of the Preliminary competitions must attend Crown Tournament, or the position will default to the other contestant.

If you are interested in participating in either of these preliminary competitions, I ask that you read the rules for the competition and potential duties as described below. If there are any questions, I urge you to contact me as soon as possible that I might answer them straightaway.

The OH is printed presently with an 8-point font that allows for approximately 300 words in a one-half (1/2) page article, and 600 words in a one (1) page article. All event articles are allowed three (3) showings in the Outlandish Herald, one (1) of which MUST be the month of the event (i.e. A June event MUST run in the June OH). The other two publication months are typically the two months preceding the event. An autocrat may request publication more than two months in advance, but that publication will count against the two (2) publication limit. Additional printings may be purchased at the current advertising rates. Generally, event announcements must fit on 1/2 page in months prior to the event, and 1 page the month of the event. Announcements exceeding this size may be trimmed to fit. Optionally, if you wish to exceed this limit, you can purchase space at current advertising rates. Where possible, please provide the Kingdom Chronicler's office with a prior month article, and a month of article fitting the above criteria for publication.
